SPECIAL FAKEOUTS

Learning the Best Profitable Fakeout Setups

What is the BEST fakeout Setup?

The best fakeout setup would consist **a set of previous fakeouts before the Higher High (HH)**. We also refer this previous fakeouts as Previous Highs or simply, previous resistance.

Why fakeout with previous highs?

This setup proved to be one of the Killer setups with 90% Reward bias. So if you ever find this kind of setup, don't let it slip away.

90% Reward Bias

Chances of this setup hitting SL is very low. So, take the chance to make kaw-kaw (huge) profit from this setup!
